## ALBEMARLE WINDOW CLEANING CLEARLY THE BEST

With winter in the rear view mirror, wouldn't it be nice to watch spring unfold through clean, clear windows? That's the objective at Albemarle Window Cleaning –the area's top window cleaning firm.

"Our goal is to provide professional and courteous service for our clients," said Jim Harshaw, owner of Albemarle Window Cleaning. "We understand that we are in the private space of our customers and we need to be quiet and respectful. Our employees always wear shoe covers and we treat our customers as we like to be treated when someone comes into our home."

Harshaw takes pride in his professionalism and will return every call promptly, within 24 hours.

"While we service both residential

and commercial accounts, we specialize in residential," Jim noted. Albemarle Window Cleaning works regularly in neighborhoods such as Farmington, Glenmore, Dunlora, Forest Lakes and Old Trail Village.

Licensed and insured, customers can trust Albemarle Window Cleaning. Always conscious of the environment, Harshaw uses only biodegradable soaps and detergents – no phosphates – to make windows sparkle without threatening the environment. His crew also uses Unger professional

grade equipment. With their 3-step process, Albemarle Window Cleaning will clean both interior and exterior windows as well as screens, sills and frames.

"With the proper tools of the trade, we will make your glass disappear," he says.

Harshaw also offers a unique Holiday Lighting Service for Christmas, weddings, the Fourth of July or any special occasion. Holiday Lighting installs and removes professional grade lighting. Some of the most beautifully decorated homes in Charlottesville were customers who took advantage

of Harshaw's unique service last Christmas with trouble free holiday lighting.

Albemarle Window Cleaning is owned and operated by Jim and Allison Harshaw. Jim, in fact, comes from a UVA background. While at the University of Virginia, he was a three-time ACC champion and an All American in wrestling. He received his undergraduate degree in Environmental Science before earning his Masters in Teaching. Jim currently serves as President of the Cavalier Wrestling Club. Customers can go on-line to request a quote at [www.albemarlewindowcleaning.com](http://www.albemarlewindowcleaning.com) or call Harshaw at 434-906-9228.

For the utmost in professional service, call Jim Harshaw – clearly the best for quality window cleaning and holiday lighting.
